# Butter Braid Fundraiser

March 4<sup>th</sup> – March 29<sup>th</sup> we will be having our Butter Braid fundraiser. The school makes over \$5.00 on each unit sold. Butter Braids come in a wide variety of flavors and take up very little space in your freezer. All you have to do is take them out, thaw, rise, and bake!

Please plan to sell as many Butter Braids as possible to friends, family, and neighbors. This is our largest fundraiser of the year, and we use the funds from this fundraiser to help offset the costs incurred throughout the school year. Thank you for your continued support! If you have any questions, please see either Claudia or Shelly.

## Thursday, March 7th is the Big Day!

**Don't Forget!!!**

BBQ Time Is Here!!!! Don't miss getting BBQ TODAY, 11:00 am until. Trinity has the best around. You can dine in or go through the drive through line. Prices are as follows:

- \$10.00 for three sandwiches or a plate
- \$10.00 for a one-pound package

## Registration Report

We have a good start on registration for the Summer Sessions and 2019-20 school year. Many of you have taken advantage of the \$25 savings by registering in February. You only have a couple more days to register for \$50. The fee will be \$75.00, starting on March 7<sup>th</sup>. Our classes are filling up fast and we are doing tours for new students each and every week. If you haven't gotten your registration forms turned in yet, please do so as quickly as possible to ensure your spot for the upcoming school year. If you have any questions, feel free to email Claudia for additional information at [claudia@trinityumcofcharlotte.com](mailto:claudia@trinityumcofcharlotte.com) anytime!

## TRINITY UNITED METHODIST WOMENS COOK BOOK

The UMW cookbooks are here and for sale!! A bargain price of \$15 for hundreds of tried and true recipes. For a limited time, you can also purchase a special combo - \$20 for 2 cookbooks - The latest 2018 cookbook and a copy of the previous cookbook. The cookbooks are available Wednesdays at Hot Dogs or see Shelly or Claudia any preschool day.

**The Montana Mission Team wants your old shoes!** Don't toss your old shoes in the trash...bring them to church! The Montana Mission Team will continue to collect old shoes (wearable shoes are worth \$1.00 a pair, unwearable shoes are worth \$.10 a pair) and send them to needy countries. It takes a pair of shoes 30-40 years to decompose in a landfill... there is an estimated 200 MILLION pairs in US landfills! What's really staggering is there are over 600 MILLION shoe-less people worldwide! So, help out our environment, help out our needy neighbors, clean out your closets and help the Montana Mission Team... **BRING YOUR SHOES TO CHURCH!** Collection bin is by the front door when you first come into the school.

## You Are Invited

**Easter Egg Hunt Event**  
**Saturday, April 13th, 10am-12pm**

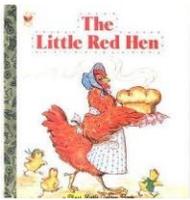

Plan on hopping by to enjoy egg dying, cookie decorating, a craft, treats, and the Easter Egg Hunt! Please bring 12 plastic eggs filled with treats for the hunt. If you have any questions, see Shelly Black for more information.

## Preschool Summer Camp Fun 2019

### Session One

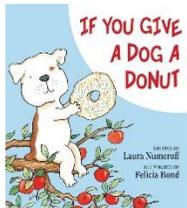

#### 6/11 – 6/13 "Because of an Acorn"

Science Week! Learn from this sweet story how a forest can grow from a simple acorn. This week, we will learn about and with acorns!

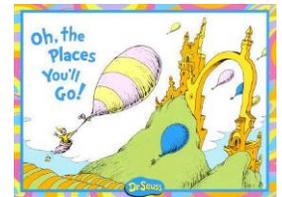

#### 6/18– 6/20 "Little Golden Stories"

We will be reading and learning from some of the Little Golden Books such as, The Little Red Hen, The Poky Little Puppy, and The Happy Man and His Dump Truck.

#### 6/25– 6/27 "Oh, The Places You'll Go!"

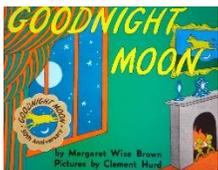

Having fun with Dr. Seuss! We'll be using several Dr. Seuss stories to help students learn letter sounds, how to identify rhyming words, and several other early-reading skills!

#### 7/9– 7/11 "If You Give a Mouse A Cookie"

We will enjoy giving a cookie to a mouse, a muffin to a moose, and a doughnut to a dog! Then we'll go to the kitchen and see if we can cook up some of our own recipes.

### Session Two

#### 7/16– 7/18 "Harold and the Purple Crayon"

What if you had a magic purple crayon? What would you draw? Let's join Harold on a walk in the moonlight and see what he decides to draw.

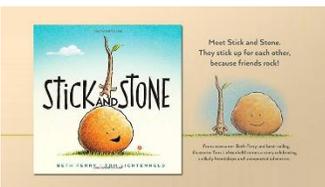

#### 7/23– 7/25 "Goodnight Moon"

Let's enjoy a pajama day and say Goodnight, Moon! We'll be learning the phases of the moon with Oreos, how to tell time, playing matching and memories games, and more!

#### 7/30– 8/1 "Pete the Cat"

Does Pete the Cat let anything bother him? Why, goodness NO! Pete the Cat Loves His White Shoes, has Four Groovy Buttons, and is Missing the Cupcakes!

#### 8/6– 8/8 "Stick and Stone"

Friends sure do ROCK and they STICK around too! Learn about an unlikely friendship and let's talk about how to be good friends like Stick and Rock in our classroom.

# Trinity's 2019 Summer Adventure Camp

## For Elementary Ages Rising 1<sup>st</sup> – 6<sup>th</sup> Graders!

### Session One – Art Camp

*I was an art major and an art history minor at the University of North Carolina at Charlotte. I thoroughly enjoy teaching others new techniques and exploring new ideas with different mediums, textures, and concepts. I am very excited for us to learn about several artists and study their unique techniques as we work to become artists ourselves.*

#### 6/11 – 6/13 – "Art: The Basics"

Campers will focus on the basic aspects of art. We will learn about color theory – learning about the color wheel, complimentary colors, and mixing colors. We will also work on projects that will help develop some basic art skills.

#### 6/18 – 6/20 – "Monet: Impressionism"

Monet is considered "The Father of Impressionism." This week, we will study how he was instrumental in developing this style of painting, as we venture outside and paint landscapes just like Monet would have insisted we must do!

#### 6/25 – 6/27 – "Picasso: Cubism"

We will abandon the perspective of a single viewpoint and instead use simple geometric shapes and interlocking planes to create a masterpiece! We will be using cubism to paint anything from simple objects to a self-portrait.

#### 7/9 - 7/11 – "Jackson Pollack: Just For Fun"

Jackson Pollack was an American painter and a major figure in the abstract expressionist movement. Famous mostly for his splatter paintings, we will learn his techniques and create our own art in lots of fun ways – outside, of course!

### Season Two - Magic Tree House Adventures

*The Magic Tree House Adventure book series features Jack and Annie, brother and sister, as they journey around the world and study history through their magic tree house in the Frog Creek woods. We use these books to help students dive deeper into the subject matter, learn about many different events in history, and study other cultures.*

#### 7/16 – 7/18 – "Tigers at Twilight"

Join us as we travel to India and get stalked by a hungry tiger! This week, we will learn all about the culture of India. We will have a guest speaker join us to teach us more about the language, food, art, and dress of this majestic land.

#### 7/23 – 7/25 - "Afternoon on the Amazon"

Vampire bats and killer ants? That's what we run into when we're whisked away to the Amazon River. While we are hopelessly lost with them, we will learn all about the Amazon Rain Forest – the layers, the animals, and more!

#### 7/30– 8/1 - "Stage Fright on a Summer Night"

The show must go on! From Elizabethan England, we will study the work of William Shakespeare! We may even put on our own play for the parents! Hope our actors cooperate better than his. We will be ready for our big entrance?

#### 8/6 – 8/8 - "A Big Day for Baseball"

LET'S PLAY BALL! The magic tree house will whisk us away to New York in 1947 to watch a baseball game. From the dugout, we will learn all about the Brooklyn Dodgers #42, Mr. Jackie Robinson, and why that game was so important.

## *With Love From Miss Claudia*

Sometimes God lets you be in a situation that only He can fix so that you can see that He is the One who fixes it. Rest. He's got it.

Over the last few months I have gone through so many scary things: a spot was found in my lung and when they biopsied it, they found it was cancer. - They took more test and felt like it had not spread and could be taken care of by a surgeon - When he opened me up he found it had spread to the chest wall so he closed me back up - They found while doing more tests, that I was in the 2% of the population that could take a new drug that had been very successful - After I took it a couple days, I became very sick so he took me off for a month - After that he put me on a half dose - Within a couple weeks, I got VERY sick at the preschool - The teachers call an ambulance - I was in A fib and had an extremely low blood pressure - I was in the hospital for a couple weeks with A-fib, internal bleeding, kidney failure, and delirium. My doctors had counted me out - But then, I began to get better and but was very weak, so they took me to a rehap center. While there, they took me back to the hospital for a Pet scan which is a whole body test that will shows you every were cancer is in your body. The scan showed than the tumor had shrunk to half it's original size and the rate the cancer was growing was half as fast. For about three months, I had only had a few days on the medicine. Dr Kuo was all smiles and said, we are just going to wait and see what God does next. It was the only explanation that he had.
